

Minister of Agriculture and Food Sovereignty of France Pays Visit

Ulaanbaatar, April 11, 2023 /MONTSAME/. By invitation of the Minister of Food, Agriculture and Light Industry Kh. Bolorchuluun a delegation of the Ministry of Agriculture and Food Sovereignty of the French Republic headed by Minister Marc Fesneau paid an official visit to Mongolia on April 7-9, 2023.

The two Ministers worked towards boosting the cooperation in the following three directions: Bilateral cooperation between the Ministries...Business-to-business collaboration... and Bilateral cooperation in the field of Veterinary Services – livestock and animal health, vaccination, exchange of experts, expertise, participation in international events and training courses.
